REGISTRATION FOR GRADUATE STUDENTS

TIME—January 5 and 6

PROCEDURE

1. Dean's Office, T-214, Agriculture Building.
New Students: Complete matriculation in the Graduate School.
All Students:
 - A. Fill out two blue course cards, listing on each all courses to be taken. Consult adviser in major department, who signs both cards.
 - B. Secure the signature of the dean on both cards. He should retain one.
 - C. Fill out one class admission card for each course listed.
 - D. Fill out registration record form, in ink, if you did not attend the Fall Quarter.
2. Take one course card, all class cards, registration record form, and matriculation card, to Administration Building to complete registration.
3. Bill Office. Lobby, Administration Building. Receive bill.
4. Cashier. First floor, Administration Building. Pay bill. Receive receipt.
5. Inspector and Collector. Administration Building. Cards will be checked. Registration record form, course card yellow copy of bill, and class admission cards will be collected.

REINSTATEMENT

All students not in attendance during the Fall Quarter must secure reinstatement certificates from the Office of Admissions.

CHANGES IN REGISTRATION

Changes in registration may be made by obtaining a change in registration slip from your dean's office. This slip must be approved by your dean and filed in the office of the registrar. After one week, there is a fee of one dollar for every change in registration. If for any reason, the instructor will not allow you to take a course for which you are registered, a change of registration slip, signed by your dean, authorizing you to drop the course, must be filed in the office of the registrar.

Credit cannot be obtained for courses for which you are not officially registered in the office of the registrar. Your failure to attend a course for which you are registered will result in your receiving a mark of failure in the course.

Students who for adequate reasons desire to enter classes more than ten days late, must secure permission in writing from the instructor in charge of each class.

Courses dropped after seven weeks (February 24, 1945) carry a grade of failure.

DISCONTINUANCE OF COURSES

The University reserves the right to withdraw or discontinue any course for which an insufficient number of students have registered to warrant giving the course. In such an event, no fee will be charged for transfer to another course.

WITHDRAWAL FROM THE UNIVERSITY

Any student compelled to leave the University at any time during the academic year, should file an application for withdrawal, bearing the proper signatures, in the office of the registrar. If this is not done, the student will not be entitled, as a matter of course, to a certificate of honorable dismissal, and will forfeit his right to any refund to which he would otherwise be entitled.

REFUNDS

Prorated refunds for general fees and for board and lodging are allowed only in case of withdrawal from the University within certain time limits. Consult the catalog for rules governing refunds. After January 27, 1945, prorated refunds will be granted for board only. The date used in computing refunds is the date the application for withdrawal is filed in the office of the registrar. No laboratory fee refunds will be issued after January 20, 1945.

CHANGES IN COLLEGE

To effect a change in college, secure the necessary form from the office of the registrar or your dean's office, and have it signed by the deans concerned. The transfer is not complete until the blank has been signed by the deans and filed in the office of the registrar.

With the exception of the first quarter of the freshman year no change to another college or curriculum is permitted other than at stated registration periods or during the first week of a quarter.

CANDIDATES FOR DEGREES

Every candidate for a degree, who expects to complete his requirements at the end of this quarter must make formal application for a degree on a special form at the inspection desk during registration, or in the Office of the Registrar at least eight weeks prior to the date the candidate expects to complete his course.

MID-TERM REPORTS

Mid-term deficiency reports are submitted by instructors to the academic deans concerned, for all students whose work has been unsatisfactory during the first half of the quarter. This report should be filed by instructors no later than February 17, 1945.

GRADUATION REQUIREMENTS ON QUARTER BASIS

For graduation in all undergraduate colleges, except Engineering, 195 quarter credits are required. In Engineering the requirement is 221 to 240 quarter credits. A general C average is required for graduation in all colleges.

A quarter credit equals two-thirds of a semester credit. To convert semester credits to quarter credits, multiply semester credits by three halves. Thus 30 semester credits equal 45 quarter credits.

PHYSICAL EDUCATION REQUIREMENTS

All undergraduate men students carrying more than six quarter credits are required to register every quarter for physical activities, 1 credit. The class meets two two-hour periods a week and in addition, a two-hour period of intramural sports is required. Students not qualified to take the regular activities program will be given adaptive work suitable to their physical capacities.

All undergraduate women students carrying more than six quarter credits, are required to carry Hygiene, 2 credits per quarter, for two quarters, and physical activities, 1 credit per quarter for 12 quarters. Women students who entered prior to the effective date of this requirement (October 1942) are not required to take physical activities their junior and senior years.

MILITARY INSTRUCTION

All physically fit men undergraduate students, under 26 years of age, registered for more than six quarter credits, are required to carry military instruction, Basic 1 and 2, 3 credits per quarter, until 6 quarters have been completed.

Students who have completed the former Basic two-year course, are required to complete 3 quarters of the new Basic 2 course.

INTENTIONAL SECOND EXPOSURE

2. Bill Office, Lobby, Administration Building. Receive bill. Laboratory and other fees will be added.
3. Cashier, Administration Building. Pay bill. Receive receipt. Dining hall cards will be issued to boarding students. All war ration books for food rations must be deposited before dining hall card is issued to new students. Post-office box numbers will be assigned to new students. Fall registrants will keep same post-office box.
4. Inspector and Collector, Administration Building. Cards will be checked, and Registrar's copy of course card, yellow copy of the bill, and class admission cards will be collected. New students will file registration record form.
5. Sectioning Committee, New Armory, enter rear doors next to Administration Building. Secure approval of department representatives for all sectioned courses listed on your course card.
6. Schedule Card. Please see that a copy of your schedule card is filed in the Office of the Registrar during registration or within one week after the beginning of instruction. This is for your benefit as well as for the benefit of the University.
